

Why Giving to the PTA and PiE is Essential

As Escondido parents, we are so fortunate to send our children to a truly exceptional public school. Along with our fantastic teachers and staff, a major reason behind the high caliber of an Escondido education is the funding that we, the parents, provide to both the Escondido PTA and to Palo Alto Partners in Education (PiE). Every Escondido family is asked to make two donations each year, one to the Escondido PTA and one to PiE.

The suggested amount per child is \$300 for PTA and \$1350 for PiE. Thank You!
